

ANNIVERSARY ISSUE

Dr. Jay Waszkewitz
Lake Chelan Clinic

House Calls

This special 70th anniversary issue of *House Calls* celebrates those who have contributed to local healthcare during the last 70 years.

Inside, you'll meet many of the folks who paved the way for our current health system, as well as those who continue to work to build a healthier valley for you and your families. Thank you for celebrating with us!

What is his name?
Employee of the Quarter
